

OUR CLASS TRIP TO BAMBERG

CLASS
7aM/7bM

07/2018

Yesterday we went to Bamberg by coach. We left school at 8 o'clock. We were 31 students and three teachers. After about one and a half hours we arrived in the city centre. The weather was ok. First we went to the New Residence. We walked uphill to the Cathedral Square. The New Residence is a big old building. The bishop lived there. We had a guided tour. After that we walked to the harbor and had a round trip by boat on the canal.

Then we had one and a half hours free for walking around in the city centre. I bought some food and drink.

At about 3.30 p.m. we arrived back at school. It was a nice day.
